Sakurazaka Hamsters

Usagi Shibata

[Center fielder. Bats right, throws right]
Good at all kinds of sports. Joined the team to get away from her meddling butler. Her family owns the impossibly rich Shibata Zaibatsu.

Riyu Araki

[Second baseman. Bats right, throws right]
An extremely talented softball player and second baseman. Yuu is her identical younger twin sister.

Yuki Shinsō

[Right fielder. Bats left, throws left.]
A maid in the Shibata household just like Rose. A complete tomboy.

Yuu Ibata

[Shortstop. Bats left, throws left]
Riyu's twin sister although they have different surnames due to certain family issues. Like Riyu she is a top-class softball talent.

Tsubame Takatsu

[Pitcher. Bats left, throws left.]
Lively and extremely energetic. Founded the girls' baseball club after falling in love with baseball while watching a game at Jingu Stadium with her younger sister. Often mistaken for a grade schooler although she is in high school.

Rose

[Left fielder. Bats right, throws left]
An American who works part time as a maid in the Shibata household. Joined the team after being scouted (more or less). Transferred into Sakurazaka High School after that. Can speak a few words of Japanese.

Kamome Arito

[Third baseman. Bats right, throws right]
A quiet girl who joined the team as the uniform designer. Became third baseman for the sake of the team. Sorta.

Koi Arai

[First baseman. Bats right, throws right]
A passionate baseball fan. Joined the club at Tsubame's invitation and somehow became team captain. Her parents are from Hiroshima, but for some reason she's in Osaka fan.

Leona Ito

[Catcher. Bats right, throws right]
A book-loving model student. Joined the team because her friends Tsubame and Koi asked her to. Became catcher solely because she was the first to understand all the rules.

Jiro Suzuki

Club advisor. Tsubame's homeroom teacher. Sucks at baseball and is therefore quite useless. Loves his students.

6-0 in the 9th. 2 outs. Guess we lost today, huh?

I wouldn't be on a baseball team if it wasn't fun.

This game was brought by immigrants to North America, where the modern version developed. By the late 19th century baseball was widely recognized as blah blah blah blah blah blah blah blah blah
